

Take ministry to the next level

Due to world wide immigration some of our new neighbors are least reached people form the 10-40 window.

Cultural Intelligence (CQ) is the Strategic Advantage in our global world. As ambassadors for Christ we need to leverage CQ to take our ministry to the next level.

CQ will:

- Help you understand your new neighbors.
- Increase your effectiveness in relating to your new neighbors.
- Help you develop the ability to express Christ's love cross culturally respectfully and meaningfully.
